- Goes through homework problems and lecture materials in an orderly fashion that is easily understandable.
 - good
 - Just attending office hours at a good time
 - N/A
 - Presenting
 - She was more than willing to spend time at home figuring out any questions she couldn't answer off the top of her head during discussion and emailing the answer to you or the whole discussion section.
 - She was very clear in all her explanations, and was very responsive and helpful when asked for help outside of discussion sessions/office hours.
 - The sections provided an easier to understand slow down of part of the lectures. She wrote out problems and encouraged and discussed student questions. The TA was flexible in what was discussed during the day, but always had a plan if no one had any questions.
 - 30 blank answer(s).
2. Do you have any recommendations for your TA that would help that person be a more effective TA in the future?
- Don't always spend too much time on the homework
 - good
 - Learn more about the concepts, often times could not answer most of student's answers.
 - n/a
 - N/A
 - Not that I know of
 - The scores come out very late, if the speed can improve, that will be much better.
